Recommendation: Donors can recommend a student, a school or STO4KIDZ most needed scholarship funds. Scholarships are awarded without any discrimination to the students' race, national origin, color, familial status or handicap. Scholarships are used for Arizona K-12 private school students. STO4KIDZ awards a minimum ninety percent of donations in scholarships.

Note: A school tuition organization cannot award, restrict, or reserve scholarships solely on the basis of a donor's recommendation. STO4KIDZ is a non-profit, charitable organization, that utilizes these tax contributions to provide scholarships to qualifying students attending qualified private schools in Arizona. This enables families to send their children to their schools of choice which best meet the needs of each individual child.
