Ms. Antolik,

RE: Certification as a School Tuition Organization to Receive Donations for the Corporate Income Tax Credit

Your organization has been accepted as a certified School Tuition Organization to receive corporate donations under A.R.S. §§ 20-224.06, 20-224.07, 43-1183 and 43-1184. This certification will remain open as long as the organization meets the criteria set out in A.R.S. Title 43, Chapter 15, Article 1. Note that an updated application is to be submitted when there is a change in the executive officer position. **Please also forward a copy of your 501(c)(3) exemption letter from the Internal Revenue Service when received.**

Your organization's contact information will be shown on the list of certified organizations to receive donations for the corporate income tax credit on the Arizona Department of Revenue website. Based on the information provided on the application, the following contact information will be shown:
